**Date: 29/04/2013**

**Subject: Minutes of the Ninth Meeting of the Advisory Group held on 19<sup>th</sup> March, 2013 under the Chairmanship of the Hon'ble Lt. Governor, Delhi at Raj Niwas.**

The Ninth Meeting of the Advisory Group, on Mid Term Review of MPD-2021 was held on 19.03.2013 under the Chairmanship of the Hon'ble Lt. Governor of Delhi at Raj Niwas. The list of participants is enclosed (Appendix-A).

The Hon'ble Lt. Governor, Delhi welcomed the members and the participants to the Ninth Meeting of the Advisory Group and asked Addl. Commissioner (Plg.), DDA to present the items as per agenda. Additional Commissioner (Plg.) MPR & AP, DDA welcomed the Vice-Chairman, DDA and Engineer Member, DDA and the Commissioners of the three Municipal Corporations of Delhi for their first meeting of the Advisory Group; and presented the following items as per the agenda.

**1. Confirmation of the minutes of the Eighth Meeting of Advisory Group held on 06.12.2012**

It was informed that the modifications suggested were placed before the Authority on 05/03/2013 for consideration. Based on approval, Public Notice for inviting objections/ suggestion under Section 11A of DD Act will be issued.

**Item no. 6.1:**

'Para- 4.2.3.4 Slum & JJ Redevelopment Regulations and Guidelines for Collective Community Rehabilitation / Relocation - In-situ Up-gradation / Rehabilitation of Slum & JJ Clusters and Resettlement Colonies.'

Prof. Neelima Risbud, Dean, SPA informed the Group that CEO, DUSIB in a MAG meeting on 'Slum Rehabilitation & Social Housing' held on 12/03/2013 had mentioned that many slums in Delhi are located on plots smaller than 2000 sqm. MPD-2021 in para 4.2.3.4 provides guidelines for redevelopment of Slum & JJ Clusters on a plot size of minimum 2000 sqm.

The Advisory Group in its 8<sup>th</sup> meeting on 06/12/2012 has already recommended relaxation of minimum plot size by 10% in Para 4.2.3.4 (i). The members felt that Slum & JJ Clusters on plots smaller than 2000 sqm may be relocated instead of taking up in-situ rehabilitation.

**2. Action taken note on Minutes of the Eighth Meeting of Advisory Group held on 06.12.2012**

The Action-Taken Note on minutes of the Eighth Meeting of Advisory Group held on 06/12/2012 was noted by the Advisory Group.

**3. Issues of the previous Advisory Group meetings:**

**a) Constitution of an Expert Advisory Committee**

In view of the Legal opinion provisions of Section 5A of the Act enables and empowers the Authority to constitute as many Committees as the Authority may desire within the parameters of the Act. The

proposed Committee appears to be permissible as per the Act. The Committee may consider requests from concerned applicants regarding land use change as well as relaxation in BBLs.

The Advisory Group observed that the recommendations of such Committee shall be advisory in nature. It was decided that a Committee consisting of following members will be constituted under the provisions of Section 5A of DD Act, with the approval of Authority.

#### **b) Amendment regarding High Rise Buildings**

The proposal for addition of Para 8(6) of Chapter 17: Development Code – High Rise Buildings was discussed by the Advisory Group on 06/12/2012. As decided, the modified proposal was presented by Ms. Mriganka Saxena, Senior Consultant - UTTIPEC-DDA. Copy of the draft proposal is enclosed as Annexure - B.

Following suggestions were given during discussion:

- The Hon'ble LG observed that basements shall be prohibited from being extended upto the plot-boundary to ensure structural safety of adjoining buildings. Side-setbacks of at least two metres (2 m) shall be made mandatory in basements.
- Advisor, NPICC observed that the proposed guidelines will add to the complications in building bye-laws. Further, height of 'Tower' needs to be specified.
- Chief Architect, NDMC informed the Group that joint-open space between two buildings in a plot is already mentioned in the Building Bye-laws.
- The Hon'ble LG noted that the proposal for high-rise buildings, mentioned above, may be considered as Guidelines instead of development control norms / regulations.

The Advisory Group decided that this may be discussed with stakeholders, such as IIA, IUDI, DUAC, HUDCO and others. The final draft will be again discussed in next Advisory Group Meeting.

**Action: Director (Plg.) UTTIPEC, DDA**

**c) Increasing FAR in large size plots**

The proposal for approval of administrative order regarding permission for group housing in large residential plots was discussed by the Advisory Group on 06/12/2012. Copy of the draft proposal is enclosed as Annexure - C.

The members observed that residential plotted development has imbibed a certain character to the built form of the City. The permission for group housing will change the streetscape, sky-line, and built-form, and burden the already strained infrastructure. In view of this, the proposal was not agreed to.

**4. Management Action Group (MAG) meetings**

Minutes of Meetings of following MAGs were placed for information –

- a) “Slum Rehabilitation & Social Housing” under the Chairmanship of Secretary (L&B), GNCTD held on 15.01.2013& 12.03.2013.

MAG on 'Common Platform for Building Approvals' in its 8<sup>th</sup> Meeting dated 08/03/2013, observed that terms "physically challenged people", "disabled" etc. are used in various chapters of MPD-2021. MAG recommended replacing them by the term "**differently abled persons**" wherever applicable.

The Advisory Group recommended the above modifications for processing under Section 11A of DD Act.

The meeting concluded with vote of thanks to the Chair.
