Dear Sir,

New Suggestions for the review of Master Plan 2021

This is a good news that the Ministry of Urban Development, Govt. Of India has taken the initiative of reviewing the Master Plan of Delhi-2021. In this connection my suggestions are as follows:-

1. In Karol Bagh, there is one road and the name of the road is '**Ramjas Road**'. This road connects Desh Bandhu Gupta Road to Rohtak Road. The width of the road is 60' (sixty feet). There is lot of commercial activity on this road.
2. You are requested to make this road a commercial or at least the activities of Banks, Insurance companies' i.e. public utility activities may be allowed. In this way, the DDA will earn revenue and the commercial activities will be done in a legal way.

I hope DDA will consider this.

Thanking you.

Yours faithfully,

J.N. Gupta

Further →

(A) Between the family members sub-division of Plot should be allowed.

(B) When a home owner gets the misuse of the premises vacated after years of struggle in the court, then the owner should be rewarded, rather than imposing the penalty on the home-owner. Further, the amount of the penalty should be communicated in advance to the misuser.
