Sir,

The Christian Colony has been in existence for the last 6 decades and mostly that is inhabited by people from the lower strata of society. Over the years, people carry their professional/commercial activities, mainly on main road.

For the commercial activities of our Christian colony even the Govt. of India has notified the same in Delhi Gazette vide Delhi gazetted notification No. 33602199 registered D.L 33002/98 Delhi Friday, September 15, 2006 / BHADRA 24, 7958 Road No. 65 Kirtiway Camp Road from Patel Chest to Dheeraj school identified as Commercial Street in Civil City Zone in Annexure-A.

But this time in ward supervision on 20th Dec the same Christian colony was shown in yellow color - which is shown as residential instead of commercial.

As it is in Gazette shown as commercial, so we request you to review and rectify the same according to Gazette.

Thank you
Yours faithfully
Arun Sharma
