Sub. Suggestion for increase in FAR of DDA Sheds, Okhla Indl. Area Phase-I & II New Delhi. Review of MPD -2021

Dear Sir,

Kindly refer to your Public Notice in Newspapers on 01.10.2012 on the above mentioned subject.

We, hereby, wish to place our observations/suggestions pertaining to our area:-

That DDA sheds were allotted /auctioned in the eighties as built up shops with 100% ground coverage. At that time, the roofs of the sheds were covered with asbestos sheets.

We have been continuously raising the issue regarding status of DDA sheds with various authorities including Ministry of Urban Development, L.G of Delhi and Zonal planning Cell of DDA to grant appropriate status of Commercial Area to DDA Sheds of Okhla Indl. Area Phase I & II. The latest request was sent to all on 01.10.2012 DDA has been considerate to our demand and has acknowledged to the fact that this area is COMMERCIAL area while replying to RTI application of our associates, the copy of RTI reply dated 16.08.2012 is enclosed.

Over the years, the asbestos roofs of the sheds have broken thus inviting vagaries of nature as well as prone to thefts and burglaries. Recent studies have indicated that asbestos roofs spread cancerous diseases also.

Now, when there is general consensus among various stake holders to allow multi storey building and increase the FAR to accommodate the growing demand of the public, we therefore suggest to extend the appropriate FAR of commercial area to DDA Sheds of Okhla Industrial Area Phase I & II which we assume is 400% as is evident from other commercial centres across Delhi. This step will go a long way for redeveloping the area which is in a dilapidated condition.

We are confident that our genuine demand of 400% FAR will be met while finalizing the review of MPD 2021.

Thanking you,
Yours truly
