Sir

Kindly refer to your Notice No. F.1(23)2011/Dir.(Plg)MPR & TC/ dated 09-08-2012 to preview on Master Plan of Delhi-2021.

As already suggested in my earlier communication on 07-05-2012 (copy enclosed) I again suggest you to while preparing Master Plan of Delhi, please make simple laws for Heritage Properties.

Most of the Heritage Properties are inherited and come down through the ages through generations within the family, passing on from one descendant to another. The laws relating to these properties should be made simple to understand and make its effective use for tourists without any hindrance.

The tag line of "Athithi Devo Bhava" and use of Heritage Buildings will definitely make Delhi a Heritage Destination for Tourists.

I will be appreciate, if you consider my suggestion.

Thanking you

Yours faithfully

### Simple Laws for Heritage Properties

Dear Sirs

Kindly refer to your advertisement in The Times of India dated 02-05-2012 inviting suggestion on Master Plan of Delhi.

I suggest you to while preparing Master Plan of Delhi, please make simple laws for Heritage Properties. Most of the Heritage properties are inherited and come down through the ages through generations within the family, passing on from one descendant to another. The laws relating to these properties should be made simple to understand and make its effective use for tourists without any hindrance.

The tag line of "Athiti Devo Bhava" and use of Heritage Buildings will definitely make Delhi a Heritage Destination for Tourists.

I will be appreciated, if you consider my suggestion.
