3. The ill-convinced provisions in the MPD-2021 for denial of degree/diploma courses in schools are providing obstacle for implementation of policies conceived by your good self. It is further pointed out that till date DDA has not year marked any specific plot in the entire city for conducting degree/diploma classes in teacher education.

We had already written to your good self on 16.8.2012 (copy attached) but till date no action has been taken. Your Excellency is requested to endorse the minor modification to DDA to incorporate the above mentioned changes in the ongoing review of MPD-2021.

Thanking You
Yours Faithfully

Ref No. (1) F1(5) 2011/Dir(plg) MPR&TC/192/DDA
 (2) MOUD NOK-12011/4/2011 DD/B/D206

Respected Sir,

With reference to ongoing Review of Master Plan of Delhi 2021 of DDA, the Management Action Group of DDA while discussing Enforcement and Plan Monitoring in its meeting dated 28.06.2012. Enclosed here-with is a copy of the minutes of the meeting issued by DDA vide No. F.1(5) 2011/Dir.(plg) MPR &TC/192 in which above referred subject was discussed vide item number (VI) with respective MOUD letter number K-12011/4/2011-DDIB dated 3.4.2012 and DDA diary no 2061 dated 20.4.2012. The about above referred subject and decided to refer the matter to the National Council of Teacher Education (NCTE) and AICTE.

- As per existing provision of Master Plan 2021 (copy enclosed) which is presently is under review/extensive modifications.....
 "coaching centre/vocational training centres are permissible in the school classes after school hours...." and further Master Plan state that "structured courses leading directly to degree/diploma shall, however not be permitted" and....
 It is against this very ill-convincing provision for not permitting Degree/Diploma in education related courses that we are requesting for your kind considerations and order.
- With the recent of introduction of Right to Education (RTE) historic chapter in Education initiated by Govt of India, there is a sharp decline in quality educator Teachers having B.Ed/M.Ed/ETE/ECCB qualification/training. It is further understood that your Excellency has taken steps to extend the benefit of awarding the full fledge degree and diplomas to vocation training too. Thereby extending this benefit to down trodden section of our society which till date have been denied these benefits. The above fast changing scenario calls for immediate other steps which are required to be taken for proper implementation of the important

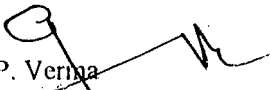

225

steps initiated by your Excellency.

3. The ill-convinced provisions in the MPD-2021 for denial of degree/diploma courses in schools are proving obstacle of stone in implementation of Policies conceived and initiated by your good self. It is further pointed out that till date DDA has not year marked any specific plot in the entire city for conducting degree/diploma classes in teachers' education. These very ill convinced provisions in MPD-2021 are resulting in the lack of these teacher training courses. Degree/Diploma are part of the good school education are directly leading to exodus of potential of good quality education in these courses aspirant to the neighboring state and even to far flung areas.
4. Thus all could be easily avoided by modification in the already ongoing master plan review by merely adding the following provisions after which the modified MPD-2021 clause - II of chapter 13 of education would read as "coaching centres/vocational training centres/**teacher training centres leading to degree/diploma** would be permissible in school after school hours.."

Your Excellency is requested to endorse the modification to DDA to incorporate the above in the above ongoing review of MPD- 2021.

With Warm Regards

N.P. Verma
