Dear Sir,

Kindly refer to our letter No.DSIIDC/Arch./2012-13/917 dtd. 31st May, 2012 on the subject cited above. Vide Para 9, it was requested to define clear cut development control norms, usages, landuse, width of the staircase and appropriate quantum of social infrastructure etc.. which can be fit into the JNNURM / Govt. of India / States Schemes relating to the Housing for Poor / EWS. We have not heard anything in this regard so far.

It is requested to fix up a meeting so as to resolve the above issues in respect of Housing Norms at the earliest, please.

Thanking you,

Yours faithfully,
