Reg- Suggestion for Master Plan-2021

Sub- Suggestion for development of Extended Lal Dora Land as per master Plan-2021

Dear Sir,

This is in reference to Extended Lal Dora land situated in various villages; in the zonal plan that you have prepared it is nowhere cleared the use of activities that can be done on Lal dora land.

The Zonal plan that has been prepared does not show the presence of Lal Dora land

The Zonal Plan that has been prepared by DDA has completely not cleared the use of the Lal Dora land the competent authority is not allowing the land owner to construct houses neither allowing to do any other activity therefore my suggestion is to please make it clear the activities that can be carried out on Lal Dora land and therefore suggested to allow following activities on Lal Dora land like Schools, Colleges and Hospitals, Nursing Homes Etc

For the same revision and objection of Zonal Plan is being carried out so you are hereby requested to look into the matter and make layout plan after seeing already existing built-up residential area and prepare the zonal plan again so that the villagers do not face difficulties.

In the end you are requested that for the benefit of the villagers and common man the rules and regulation should be made very simple and precise so that they do not face any difficulty and illegal things should not be encouraged.

Thanking You

Yours Faithfully

Ajay Bansal
