This land is quite insufficient as the total number of transporters according to the Survey Report which is with the Chief Town Planner, Delhi, is learnt to be about 1100. The detailed Layout should be undertaken with the recommendation and approx. area for the transporters which needs to be shifted from walled city (Special Area) as per eligibility and other requirements according to the policy to be received from GNCTD to Lands department DDA.

The Hon'ble High Court of Delhi had in its order dated 28.05.2004 sought the de-congestion and de-commercialization of whole sale trade in the congested Walled city and Special area. Again in its order dated 5th October, 2007, the Hon'ble High Court of Delhi had issued directions to get the survey and verification of transport godowns completed by 31st Oct. 2007 and action taken report on the same submitted to them.

E.C.P.A who was issued directions by the Hon'ble Supreme Court of India, to look into issues relating to the subject matter had made final recommendation that: "EPCA is reluctant to give a sweeping recommendation on this issue. EPCA therefore, recommends that the concerned agencies namely MCD and DDA should confer with the traders and other concerned groups to evolve a relocation Plan, with clear milestones and schedules. It is important that this plan is evolved with the participation of the affected parties and implemented."

Tajendra Khanna Committee had in its meeting held on 27-04-2006, recommended that "ALL THE WHOLE SALE MARKETS SHOULD BE MOVED FROM WITHIN THE CITY TO THE PERIPHERY. ALONGSIDE SUCH MARKETS, GOODS TRANSPORT YARDS SHOULD BE BUILT TO FACILITATE MOVEMENT OF FREIGHT CARRYING VEHICLES."

Shri Amit Dass
Director, (Plg), DDA,
Zone P-I & P-II Narela,

Sub:- Suggestion-cum- proposal for allotment of Land for Offices and Godowns of goods Booking and forwarding Agencies (Goods Transporters) of Special area of Delhi (Walled City, Walled City Extension and Karol Bagh) in Zone P-I & P-II, Narela under MPD 2021.

Respected Sir,

With reference to your PUBLIC NOTICE under the caption FUTURE OF DELHI-2021, appearing in the Times of India of 24th April, 2012, this Association which is the primary and oldest association of Transporters of Delhi and NCR, and have the responsibility to watch and safeguard the interests of the transporters. We hereby submit the following suggestions/proposals with regards to the subject cited above.

As per Master Plan 2021, sub-city level whole markets are required to be developed in the five Integrated Freight Complexes (I.F.C.s) which will cover warehousing/storage facilities (for goods related to wholesale trade), freight movement (transportation of goods relating to wholesale trade) and other required facilities.

In this connection we have been writing to DDA since 2006 on the subject but no concrete response has been received. But however, we have come to know that only 9.5 Hecter land has been earmarked for Truck Terminal only at Narela Project, but no framed policy has been placed on records.

The D.D.A Committee, also in its monthly meeting held on 06-09-2007 at Raj Niwas, Delhi, under the Chairmanship of Hon'ble Lt. Governor, Delhi, had suggested to earmark separate areas in all the Zones for godowns of transport companies. Again in its meeting held on 30-01-2012, the subject matter came up for hearing in the presence of the Vice Chairman DDA.

In view of the developments that took place, The D.D.A on 03-02-2010, wrote to the Commissioner, MCD to send the detailed survey conducted in this regard. The Survey was duly completed in June, 2010 and the survey report has since been sent to the Chief Town Planner, MCD, Delhi.

We, therefore, hereby suggest that a study of all the documents submitted by us to the DDA, others departments of the State and Central Govt. including the Ministry of Urban Development, from time to time be conducted and a committee including representatives of this association, be constituted which may consider to allot as much land as may be required by each transporter so that the city is de-congested and becomes pollution free. We also submit and suggest that in future the IFC's proposed at different outskirts of Delhi (Madanpur Khadar N.H-2, Ghazipur N.H-24, Dwarka and Tikri Kalan N.H-8, Nazafgarh Zone) be also reserved with the same policy so that the Transporters carrying the goods for different states may work from those places where they need not have to travel through the city.

We enclose a set of copies of all the documents for your ready reference. With regards.

Sub:- Submitting of Report of Survey of Transport Godowns in Civil Line Zone Conducted in May 2010 to the Chief Town Planner, Delhi- Regarding.

Sir,

The above survey was conducted under orders of the Commissioner, MCD vide order No.TP/G/7188/X dated 28-04-10 (Copy attached) according to which the report of survey was required to be submitted to the Chief Town Planner Delhi by 15-05-2010.

In this connection we invite your kind attention to this Association letter No.DTA/MCD/Survey/2010/951, dated 01-07-2010 (copy enclosed) under which we had informed that the survey was conducted with the mutual cooperation and assistance of Zonal Staff and executive Members and staff of this Association and the work was completed before the end of June 2010.

We are extremely sorry to write that even after the expiry of one year after completion of the survey, the required report has not been submitted to the Chief Town Planner, Delhi so far.

It is learnt that the reasons behind none submission of the report to the Chief Town Planner, Delhi has been differences of opinion of the Administrative Officer, Shri Ved Parkash Gupta and the Superintending Engineer, Shri Rajendra Prasad. Shri Ved Parkash Gupta says that he has not undertaken this Survey and as such he is not responsible for submitting the report, and that

the survey was got conducted by the Supertending Eng. Shri Rajindra Prasad and it is his responsibility to submit the report. In this connection, it may be pointed out that the Chief Town Planner, Delhi had also sent a reminder to your Office in February 2011 for sending the Survey Report and inspite of that the survey report is being tossed between the two officers. It is due to the non co-operative attitude of both these Officers, the whole further process for allotment of land by the DDA has been held up.

You being the head of the zone, we request your honour to kindly look into the matter and arrange to have the survey report of the Civil Lines Zone forwarded immediately to the Chief Town Planner, Delhi under intimation to this association.

Sub:- Request for allotment of Land for Offices and Godowns of goods Booking and forwarding Agencies (Goods Transporters) of special area of Delhi (Walled City, Walled City Extension and Karol Bagh) in all the five Integrated Freight Complexes (I.F.Cs) to be Developed as per MASTER PLAN 2021, FOR DELHI

Respected Sir,

We are thankful to your honour for granting us a meeting to-day on the subject cited above.

In this connection, we are to submit that we are the primary and biggest Association of Goods Transporters in Delhi and NCR. and have the responsibility to safeguard and protect the rights and interest of Transporters by representing their requirements, at the appropriate level. We, therefore, wish to submit that our members are working as Transport Agencies for goods Booking/Delivery and forwarding these within and outside Delhi. We have been engaged in this trade before Independence and our activities have been mainly in the wholesale trade involving booking and delivery of all types of goods and their transportation within and outside Delhi. Their Offices and Godowns are mainly concentrated in the Special Area of walled City, its Extension and Karol Bagh

In this regard we wish to draw your attention to letter No. PA/OSD(Plg) DDA/2010/07 dated 03-02-2010 from Shri. Anil Barai, O.S.D (Plg) D.D.A (copy enclosed) on the above subject and request your honour to kindly forward the Survey report as required by the O.S.D (plg) DDA to enable him to take further action in the matter. However, in case any co-operation is required from our association, we are ever ready to assist in the matter.

Thanking you. With warm regards.

Yours faithfully,
Kawaljit Singh
