## Suggestion and Objection

Sub: New Suggestion for review a Master Plan- South Zone J

Kind attention Mr. Chandu Bhutia, Dy Dir

Dear Sir,

Reference to your advertisement In HT newspaper dated: 18/02/2012-inviting suggestions for review of Master Plan. I have some practical suggestion to make which is given below.

Our area Kapashera along the old NH-8 has been indicated as residential zone in zonal Plan. However the situation on the ground is completely different. From Samalakra red light to Delhi Border the entire stretch is fully commercial and this fact was ignored when surveys were conducted by MCD. The commercial activity is a source of livelihood for thousands of residents of this area.

In Master Plan under Mixed Land Use there is a provision for declaring mixed used streets and Commercial Street. This stretch of road being fully commercial deserves to be declared as Commercial Street in the review of Master Plan, modifications to this extent be made in the zonal plan of zone J.

My property no.-----, is located on this street and the details are given below.

Owner

Name Narayan Singh Yadav & Sh. Ram Kishan Yadav  
Situated in Khasra No 273 33 Plot

Village Kapashera on road old Delhi Gurgaon no.

Used Commercial Area 400 Sq. Yard

I am also enclosing some photographs of this street, which indicates the extent of commercialization and my property.

I further request for personal hearing to explain my case and my point of view during the open house DDA will be conducting in our area.

Thanking you

  
Yours faithfully
