Subject : Suggestion for Mid Term Review of Master Plan of Delhi -2021

Sir,

This is with reference to Delhi Development Authority Public Notice Dated 04.10.2011 in the Times of India regarding review of Modification in Master plan, following suggestion needs to be incorporated in the Master Plan more constructive.

Traders are finding shortage of space, godowns, warehouses and cold storages in city area. There is no space to store goods in the city. As such villages located on outskirts should be allowed to have Godowns / Ware houses. *It is suggested that a storage policy may be framed where Plot located on Phirni Road in Lal Dora / Extended Abadi Areas (Particularly in Hamidpur Village, Delhi) may be allowed.* Phirni Road is same as Master Plan Road as located in the city. We under understand that the Lieutenant Governor has also written to MCD to look into traders difficulty in finding the space for storage, as such plot located on Phirni Road may be allowed to have a godowns in it.

You are requested to kindly incorporate the same in the master plan.

Regards
