CONCERN

- 1) It is to inform the Hon'ble Government of Delhi that Sangam Vihar is an unauthorized colony in the list for regularization. The Provisional Certificate has given to this Colony.
- 2) Delhi Government can earn huge revenue by providing certain facilities as suggested / requested below.
- 3) Since its creation, the life of people living in this colony is very miserable, even the basic amenities **like Drinking Water, Roads, collection of Garbage** are the big issues and challenges for any Government.
- 4) Delhi Government who is continuing its power in Delhi for the last 3 consecutive elections has not overcome on these issues / challenges.
- 5) **METRO is now the backbone of Delhi. Still there is no METRO Plan for this Colony.** Living people of this colony has to waste their time of around 30-40 minutes **from their place – Sangam Vihar** to reach **MAIN ROAD – MB ROAD – KHANPUR / TIGRI TO CATCH BUSES / METRO.**
- 6) There is no Bus facility inside the Sangam Vihar. Only alternate is to hire the Private Auto charging Rs. 10/- per person through zig-zag Streets. **It is a very huge burden for poor surviving people living in this Colony.**
- 7) **Deoli Bus Stand/Terminal is last bus terminal** to reach Sangam Vihar. Earlier Route No. 423 is a big relief to residence of Sangam Vihar. By creation of BRT, Bus Route No. 423 has been stopped from Deoli Bus Stand resulting a very big problem for the people.
- 8) No connectivity to SAKET METRO STATION nearest to the Sangam Vihar.

SUGGESTIONS

- 1) Drinking Water is a big problem for the residents. It is suggested that Drinking water facility through Deep Bore may please be provided till the permanent water connection / facility is provided to the residence. **Underground water pipelines had already put in only in main Bandh Road and Sangam Vihar C-Block School (Deoli Pahari)**
- 2) There is no Main Road / Inside Roads in the colony. Only **Bandh Road (Sahib Singh Verma Marg)** is made during the year 2007-08. Thereafter, there is no repair work has been done. **It is in very bad condition and totally damaged. Passing even by foot / Auto is not possible.**
- 3) It is suggested that for the time being **the facility of Small Bus / RTV Van** may please be started for **To and Fro SAKET METRO STATION to SANGAM VIHAR Bandh Road** so that the residence can reach offices / factory / home at time.
- 4) It is also suggested that the **Saket Metro Station** may please be extended to **Sangam Vihar : C-Block Sr. Secondary School.**
- 5) Alternatively, it is suggested that **Govindpuri Metro Station / Moolchand Metro station** may be extended to **Sangam Vihar : C-Block Sr. Secondary School.**
- 6) It is suggested that outlets for drainage / rainy water may be prepared in the **Sangam Vihar Colony / Main Bandh Road - Sahib Singh Verma Marg.**
- 7) It is requested that the Delhi Government may think for a **new Sangam Vihar Bus Stand / Terminal.**
- 8) It is also suggested that Delhi Government may provide the facility for a full-fledged Post Office creating a huge earning for the Government.
