Dear Sirs,

**Reference:** Public notice in Hindustan Times dt. April'14 2012.

**Subject:** Suggestions for Parking & play ground for Future of Delhi "MPD-2021"

I take pleasure in giving 2 suggestions to counter following problem of Delhi:-

1. Parking problems in D.D.A. developed & other Govt. Developed colonies.
2. Lack of Cricket, football, Hockey and other games (Open Play ground) for youngsters of Delhi.

1. Solutions for Parking Problem in Delhi colonies:

- A. Basement should be developed under all District Parks & M.C.D. Parks of Delhi as parking area.
  - B. Basement should also be developed under all Play Ground of Delhi Schools & Colleges.
- Delhi High Court: has created special work force to explore for "PAID Parking" in Delhi colonies.

2. Delhi School & College Play Ground lying ideal after School /Colleges hours:

- A. To give play ground facilities to youth of Delhi in the evening or during holidays, these ideal lying play ground should be made available to youth & players to use as play ground.
- B. Arrangement should be made in such a way that security of school building etc. is taken care during these hours.

I hope to see above facilities in Delhi in near Future by incorporating in MPD-2021.

Thank you,

With Warm Regards,

Pushpak Agarwal

Dear All,

Very good suggestion for solving present parking problem.

Lets start put it in Agenda with priority Serial numbers.

I want to suggest Agenda no.1: To remove & restrict Outsiders vehicle in the colony.

but should also have some plan for Guest & Visitors of the residents.

With warm regards to every one.

Pushpak Agarwal

DEAR PUSHPAKJI, TKS.. FOR YOUR SUGGFROOMESTION FOR PARKING IN GENERAL. BUT WEHAVE TO FOCUS ON PARKING PROBLEM IN OUR COLONY. MY SUGGESTION IS  
A)EVERY RESIDENT SHOULD HAVE PARKING FACILITY AT LEAST FOR CAR NEAREST TO HIS/FLAT.IF A RESIDENT IS HAVING MORE THAN ONE CAR,HE/SHE WILL HAVE TO PARK THE CAR AT A COMMON PRKING PLACE. ABOUT 4/5 MONTHS AGO,MR.GAUR,OUR SECRETARY,MR.AK JAIN AND MYSELF HAD WORKED ON THIS SCHEME. WE FOLND THAT WE HADABOUT 300 CARS WHEREAS SPACE AVAIALBLE WAS FOR ABOUT 250 CARS ONLY. UNDERGROUND PARKING IS ALONG-TERM P;ROJECT.FOR SHORT TERM,WEHAVE TO FIND SPACE.FROM WHERE DO WE GET SPACE FOR 50 ODD CARS?OUR SUGGESTION IS THAT THE

BETWEEN FLAT NO.33A TO 7A WHICH HAS BEEN CONVERTED INTO AN ENCLOSURE SHOULD BE RESTORED TO ITS ORIGINAL SPACE,IE.ROAD. WE PUT UP AN RTI WITH DDA WHO HAS CONFIRMED THAT THERE ROAD FROM 7A TO33A FLAT. WE STRONGLY FEEL THAT THIS ENCLOSURE BE RESTORED TO ITS ORIGINAL POSITION. OUR SECOND SUGGESTION IS THAT WE CHECK OUTSIDERS CARS. FOR THIS WE WILL HAVE TO REISSUE STRICKERSBY PUTTING NOS. AND BEFORE ISSUING/PASTING OF STICKER WE HAVE TO VERIFY THE RCMC AS PROOF OF RESIDENCE. I REQUEST YOU ALL TO RAISE THIS ISSUE IN THE FORTHCOMING GENERAL BODY MEETING .

THANKING YOU,  
JS SAXENA  
D-36.
