Sub: House No.A-285, New Friends Colony

Dear Sir,

I am the owner of above house and would like to suggest the following.

The outer Ashok Park Road in New Friends Colony leading to Zakir Nagar be converted to mixed land use. It is noisy, overcrowded and impossible to reside there.

Any way many houses are being used as offices, show rooms and as a hospital.

This will facilitate the area residents to use these as commercial use as no resident can reside there because of the commercial nature of the road.

Thanking you,

Yours faithfully,

MAYA VIRMANI
