Type	PHYSICAL INFRASTRUCTURE
Paragraph/Clause/Subclause	
Date	02/21/2012
Suggestion	The Mehrauli Gurgaon road is so congested and it can be reduced to a great extent by making another road from Arjagarh via Jaunapur - Indira Gandhi University - MB Road - Badarpur. This way those who want to go to Okhla , Badarpur etc can divert their route - instead of going to Chattarpur.
