Suggestion	<p>Your goodself is requested to pass the existing unauthorised construction in DDA flats upto 15 meters and up to 4 floors or someday any Court would pass the demolition order of lacs of floors bringing lacs of families on road in open. It has been misinterpreted by the DDA flat owners that, their construction up to 4 floors has been passed in MPD 2021 and therefore they r not giving suggestions on this site. My further suggestion is existing construction up to 4 floors must be passed, wherever land is given by any Govt. agency in any form i. e. whether on licence, lease, tehbazari, installment, freehold etc. DDA must understand that it has to change itself according to ground reality and need of people. The building laws of US can not be implemented here as 14 people live on the same land in India compared to 1 in the US.</p>
