Subject: Suggestion for Review of Master Plan Delhi- 2021 for J-Zone,

Ref : Permission for regularization and continuance of existing cultural, social and environmental activities at Sanskriti Kendra located within the limits of Aya Nagar, Tehsil Mehrauli and New Delhi.

OR

Ref. : Bonafide Institutions rendering Cultural, Religious (Including spiritual), Health care and Educational Services in response to the Public Notice issued by M.P. Section on 1-5-2008.

Dear Sir

As you are aware, Sanskriti Pratishthan a registered Public charitable trust, has been carrying on activities at its Kendra located at the above address since 1990 and providing the city of Delhi a unique cultural centre which is well recognized and appreciated in Delhi and abroad.

We have been pursuing our above mentioned case since last many years. Our case has been under consideration during all these years as the MPD 2021 was under preparation. The spot zoning of our area has already been done and our case is being considered favourably.

It is envisaged that the J-Zone, where our cultural centre is located will have a population of about 2 million people. Providing public and semi-public spaces and facilities for social and cultural activities to the residents of an area is the most important and essential aspect of any urban planning. Sanskriti is aptly providing this space. The Sanskriti Museums within this cultural centre is regularly visited by thousands of tourists, visitors and residents from the area alongwith innumerable school children coming for workshops who are sensitised towards Indian art and culture.

Here, through this public hearing we wish to emphasize that our case be favourably considered and our Institution given due recognition at the earliest.

Thanking you

With Regards

(O.P. Jain)
President, Sanskriti Foundation.
