- There is need for clear demarcation of land use (a) for residential purposes and (b) for commercial purposes in the Mater Plan.No commercial activity, at any cost, be permitted in the residential areas. Even a small scale vendor should not be permitted in the residential area if same is not provided for in the Mater Layout Plan of he Colony.
- In the residential set up the areas earmarked for Green Zone (Parks), Welfare Association/Club/ Religious Institutions, Internal Roads etc should not be converted into different land use and Enforcement Agency of the Government/DDA needs to ensure same. Any unauthorized land use needs to strictly controlled of the Enforcement Agency.
- Construction of the Dwelling Unit(s) needs to be strictly as per approved layout plan.No modification or deviations to the existing construction be permitted unless this is approved by the Competent Authority of the DDA or the concerned Agency.
