DATE :

That the society has been running a day boarding cum residential school in the name of Delhi English Academy at Bharthal village for rural children, which is an old institution, running for the last 15 years. Admissions in the hostels is provided to the rural girls/boys, scheduled casts, scheduled tribe and other backward classes on priority basis. The society has given preferences/priority to rural students or other students of BPL families.

That the society is also committed to provide the best education facilities to the down trodden section of the society like scheduled casts, scheduled tribes, other backward classes for which it has reserved a quota in admission and free education is provided to the economical poor students.

It is our objection that schools / educational institutions running on the Agriculture Land for more than 10 years which are already recognized should not be disturbed and provision should be made in the Master Plan of Delhi 2021 that such educational institution must continue on the existing land. Our institution is already recognized by Govt. in 1998. Provision should be made in the Master Plan 2021 that such recognized schools should continue on the existing land

Thanking you,

Yours faithfully,
