Dy. No. 3791

Date 21.10.11

To
Shri Kamal Nath
Minister for Urban Development
Govt. of India
New Delhi

Dear Sir,

Subject: Suggestions for Mid-Term Review of Master Plan for Delhi – 2021

I would like to bring to your kind notice that the following suggestions need to be incorporated in regards to the **Special Area in MPD 2021** to make the Master Plan more viable & widely acceptable for the building existing prior to MPD 2021.

1. Refer to Para 5.3 Metropolitan City Centers :

The para refers to Karol Bagh as the existing Central Business District and has all the necessary ingredients to emerge as Metropolitan City Centre. Its boundary is not defined in the Master Plan so it should have the Area bounded by Faiz Road in the East, to the Drain (Guru Nanak Market Road in the West, and DB Gupta Road in the North to the Pusa Road in the South and all the plots falling inside the boundary should be given Commercial status.

Important :

- In the above area more than 90% of the building are being used as Commercial.
- As per para 5.3 Karol Bagh has been declared Metropolitan City Centre, the FAR should be 500% for existing Building as in the other Metropolitan City Centres and height of the building should be increased to 18 meters.

2. Refer to Para 3.3.2 Guideliens for Redevelopment Schemes:

Sub-Para IV: The para says Amalgamation and reconstitution of plots: in the contiguous Area Karol Bagh (Special Area) these Amalgamated plots should have higher FAR then that allowed on the individual plots (the amalgamation should preferably start from the notified road plots) also all the plots on the main road of special area (notified road) and these amalgamated plots should be allowed higher FAR and 18 Meters Height.

3. Kindly refer to Para 4.4.3 Sub-Para XVII A.

- Projections/chajjas should be allowed / given on all plots sizes, irrespective of the plot size and not only to plots of 175 meters in the Special Area / Karol Bagh which existed prior to MPD 2021.

May H. be examined.

b. **Refer to 4.4.3 Sub-Para 4:** Irrespective of the plot size with (Cent Percent) 100% Ground Coverage and 450 FAR shall be eligible for regularization of construction already existing as on 22.09.2006 on payment of charges on all the plots in the Special Area / Karol Bagh and FAR upto 500% should be increased on all the plots abutting notified roads of ROW 18 meters and above, prior to MPD 20201.

4. **Refer to Para 15.12.3 Sub-Para IV:**

In Special Area, Commercial Area/Notified Road under Metropolitan City Centre / Central Business District should be exempted from Conversion Charges which existed before the notification of MPD 2021.

5. **Refer to 16.2. Sub-Para 3:**

All the buildings in Special Area shall be exempted from punitive action till the Redevelopment Plan is made and notified instead of 3 years from the date of notification of MPD 2021 and status Quo should be maintained till the Redevelopment Plan for the Special Area is prepared and notified.

So kindly accept our valuable suggestion/views in specific aspect of the Special Area under the provision MPD 2021 who existed prior to Master Plan. Kindly incorporate the above modification / suggestion in entirety.

Sir, the sealing in the special area, unauthorized regularized colonies and village abadis was stopped by the Delhi Special Act of Parliament after the notification of Master Plan. Since the regulations of all the above mentioned categories could not be framed, the status quo was extended in all area except the special area.

Sir, you are requested to take notice of the above mentioned facts and extend the relief of the status quo to special area as well till the redevelopment plan is notified. So please get the ordinance issue as soon as possible to extend status quo in the special area. This will help in saving the livelihood of lacs of people in the special area.

Thanking you,

For CONFEDERATION OF ALL INDIA TRADERS

Chairman
