Respected Kamal Nath ji

15 to UD Minister
9/11/11

UIDSSMT scheme, sanction by Government of India, is under implementation in 33 towns of Madhya Pradesh. Projects of all the 33 towns are at different progressive stages. Funds for this scheme are provided by Gol in two installments. State Government has submitted the Utilization Certificates of 20 Towns of Madhya Pradesh, to Gol, for claiming the second Installment of ACA. Second Installment of ACA of these 20 towns is pending with GOI for quite some time.

I would like to draw your attention to the fact that due to non availability of funds the progress of the projects has slowed down considerably. Completion of projects is getting delayed due to delay in release of second installment.

Therefore, I would request you to kindly instruct the concerned officials to release the second installment at the earliest.

with regards.

Your's Sincerely

(Babu Lal Gaur)

Shri Kamal Nath Ji
Hon'ble Minister
Urban Development Department
Government of India
New Dehli
