2nd May,2012

Sub : Incorporation of existing Old Ishwar Nagar Industrial Area in Master Plan 2021 under review now

Ref : Suggestions for Review of Master Plan 2021 pursuant to the Public Notice dtd 2nd May,2012 published in the newspapers

Sir,

We are the Owners/Occupiers of Industrial Area known as Old Ishwar Nagar Industrial Area that is old and existing since 1951 (i.e., since Pre 1962)) and in continuous use since then, that has to be incorporated in the Master Plan 2021 under review now.

The present suggestions are being filed by the Association on behalf of all the members/owners of the Industrial Units bearing Municipal Nos. 1,2,87-94,95 and 96, Shambhu Dayal Marg , Old Ishwar Nagar (Village Bahapur) , Okhla Industrial Area, New Delhi. The land is a private land and it is bounded as follows :

North : DDA Land
East : Old Ishwar Nagar Industrial Area
West : Kalkaji Road
South : Okhla Industrial Estate

The Factories in this area – Old Ishwar Nagar Industrial Area - exist before the formation of DDA in 1961 and have continued since then. We are enclosing certain documents (as per List of

Documents attached) which pertain to sanctions and permissions received since 1951 onwards.

The plans at that time were sanctioned by the Municipal Corporation of Delhi & also the area plans were certified by them. The Occupancy certificates were also given by MCD. In fact the predecessor of the MCD – The South Delhi Municipal Committee (that was then existing & called by this name) granted Licenses to several of us . One such specimen dated 10-3-58 is enclosed for reference (Annexure C)

The area has since been continuously used as industrial while the Master plans did not incorporate them. In fact part of the Industrial area was incorporated earlier while a part was inadvertently left out by mistake. This may be rectified.

It is therefore requested that the Old Ishwar Nagar Industrial Area be duly incorporated in the Master Plan 2021 under review now.

For the purpose of carrying out the development of an area by the Delhi Development Authority as per the provisions of the Master Plan , the Central Government may declare any area to be the development area under Sec 12 of the Delhi Development Act. Further under **Sec 14 of the Delhi Development Act** , no person is permitted to use any building area in the Zone otherwise than in conformity with the plan . **However , the provisions to the said section carves out an exception in respect of the user which has been in existence prior to the coming into force of the plans i.e., Master Plan or the Zonal Development Plan.**

It is a settled position of law and accepted by the authority that a user in existence prior to the coming into force of the plans , i.e., MPD-1962, the said user is allowed to be continued under the plans and the Delhi Development Act.

Our area – Old Ishwar Nagar Industrial Area -- has Municipal Nos. 1,2,87-94,95 and 96 , Shambhu Dayal Marg, Old Ishwar Nagar (Village Bahapur) , Okhla Industrial Area, New Delhi . The said area is fully built up and some of the structures have been in existence for more

than 100 years. **The industrial units are operating in the said area prior to the coming into force of the MPD-1962.** In fact , in respect of some of the units **Municipal Corporation of Delhi has sanctioned the building plans for factory building and an Occupancy Certificate issued. The said units functioning in the area have been granted licenses from the Municipal Corporation of Delhi.**

It is thus the submission that our area – Old Ishwar Nagar Industrial Area - is being used for industrial purposes since the year 1951 . It would be pertinent to mention herein that the present area was part and parcel of Old Ishwar Nagar (as per Plan annexed) **where industries like Ranbaxy Laboratories , Glaxo Industries , Godrej Industries , Ishwar Industries , Midland Foods , etc exist , which has been separated from the subject area due to the construction of a new road , i.e., Shaheed Capt Pradip Gaur Marg , in the early seventies. The major chunk of land went on the east of this road and a small area where we are located was on the west of this road. The area on the east also had the industrial units , which had been constructed at a latter point of time. The said area has been incorporated as an industrial area in MPD-2001 by the concerned authorities. The present land , subject matter of the present objections , for unknown reasons was not incorporated as an industrial area. This may be done now.**

Here it would be pertinent to point out that all the industries / commercial establishments in our area – Old Ishwar Nagar Industrial Area - are non-polluting, environment friendly and generate sizeable employment .

Thus , it is requested that our Old Ishwar Nagar Industrial Area be incorporated as Industrial Area within the Master Plan 2021 of NCT of Delhi , so that we may carry on our industrial/commercial activities as we have been doing for over fifty years i.e. prior to 1962.

Documents , duly self attested , establishing the industries in the area prior to MPD-62 are attached herewith for your kind perusal.
