Subject: In continuation of our letter No: CCPA / 68 / 2011 submitted in your office on 15 / 11 / 2011 with Dairy No: 371 which is also enrolled in your DDA website Master Plan review 2021.

MIXED LAND USE ROADS POLICY IS MISUSED. BUSINESS OWNERS ARE NOT THE RESIDENTS OF SAME BUILDING & SHOULD BE INVESTIGATED.

Sir / Madam,

This letter is in continuation to our suggestions for Mid-Term review of MP-2021 for H-4, Zone in Pitampura.

This is to notify you that as per the attached Plan for the Facility Center Plots adjacent to DDA Commercial Complex on road No. 44 Pitampura, the road built between DDA Commercial Complex and Aggarwal Mall (Facility Center) is only around 50 feet, while on the Site Plan it should be 24 Meters. **(80 FEET)**.

We request you to widen this road to original 24 Meters so that a proper parking on the road could be maintained and the Jams of Traffic could be controlled.

If as per DDA approved Site Plan the Correction of widening of the road is not possible, then we request that a Vacant DDA plot opposite Aggarwal Mall & inside the boundary of DDA commercial complex should be converted into approved DDA Parking Lot.

Hope you will consider our request and act accordingly keeping the major problems of **Parking issues** in consideration.

We shall be highly thankful to you

Yours truly,

Sub : Suggestions/Objection invited vide your Adv in Times of India
Dated 04.10.2011 for Mid-Term review of MP-2021

Sir/Madam,

We give below our suggestions for Mid-Term review of MP-2021 for H-4, Zone in Pitampura.

1. This zone already has 11 local shopping centers-two community centers and one district center which are sufficient for commercial use of zone H-4, in Pitampura. All local & community centers are well located with surrounding all round of rich people but we can only say a bad luck of these centers since as on date also almost all are lying ideal due to negligence on the part of DDA.

2. DDA never thought of developing these commercial approved centers nor considered why these are not functioning as Markets. These centers if developed properly as per requirements and with proper electrification of roads and foot paths, would have come up so far as good Markets. On the contrary DDA in 2006 while finalising MP-2021 declared 19 more roads-two under mixed land use+17 as commercial roads without considering the basic requirements of commercial Markets i.e. Parking, Toilets, Police Booths. This resulted to Traffic Jams also for most of the time and a great inconvenience to residents of H-4, Zone in Pitampura.

3. Authorisation of 19 more roads for commercial use has put these local/community centers in Back Gear as the newly approved road are well developed (though without parking facilities) and the customers prefers marketing from shops located on main roads. This action of DDA is against interest of shop owners of approved local/community centers as they invested their hard earned money for purchase of shops in a approved commercial centers. This is a chocking with the shopkeepers of approved commercial centers.

4. Hardly 20% small shops are operating in these centers and the rest of markets are lying vacant/ideal even after 10 to 15 years of sale by DDA. These shop owners are facing great hardship to pay ground rent and house tax as they are having no income from their shops. They are even not getting the returns on their investments on shops in these markets. Keeping in view of all the facts stated above we wish to bring to your kind notice to please realise these facts and our Association demands the following relief/actions.

1. To exempt ground rent and property tax with interest due till proper development of these local/community centers.
2. Not to declare any further roads under mixed land use or commercial use in H-4, Zone in view of the facts stated above. If possible also to with-draw approval on already declared commercial roads where traffic jams are heavy.
3. To develop these centers properly with lighting on roads/foot paths.
4. To declare freehold of shops against pending application at the earliest as per freehold policy and make this policy more attractive.

This association again wish to draw your kind attention to the basic responsibility of DDA to see why the local/community centers are not functioning in line with the later approved shops under mix land use/commercial use (though without parking facilities also). DDA officers should survey these commercial approved centers and find out ways as how to make these centers functioning at least equal to the later on declare commercial roads. It will be appreciated if DDA efforts can stands these so far ignored centers in better position in comparing the old commercial centers to newly commercial declared roads.

Hope our suggestions/objections will be considered seriously and sympathycally.

Thanking you,

Yours faithfully
