Suggestion to review the Master Plan 2021

Appendix VI – Mixed land use to Commercial land use

Dear Sir,

The Patel Road from Sidhartha Hotel to Najafgarh Road exists at ROW 60 M and is designated as “Mixed land use categorised B 4 Karol Bagh Zone under appendix VI In Master Plan of Delhi 2021. Due to tremendous pressure on land and increase of necessity of commercial markets, this patch of road is now fully commercial and can be categorized as commercial land use. There are more than 80 percent commercial activities. I hence submit my suggestions to please allow change in the revised status of Master Plan 2021, which is likely to be reviewed after considering the full facts of the case.

B – 4 KAROL BAGH ZONE - APPENDIX VI

Sr. No. 12 PATEL ROAD - Sidharth hotel to Najafgarh Road –ROW 60

To be changed from Mixed road to Commercial road .

Thanking you,

Yours faithfully,

This is an objection/sugg.
