**Sub: Inviting Public suggestions for mid-term review of
Master Plan for Delhi-2021.**

Reference to the Public notice as above, the following are the suggestions in Zone P-I & P-II:

i) In Zone P-I, 30 mt. wide road meeting at G.T. road (100 mt. R/W) and U.T. boundary should be not less than 60 mt. R/W instead 30 mt. as per planning norms.

ii) In Zone P-II, UER-I taking a detour at Yamuna Bandh road. It should be directly linked with bandh road passing through sector-3 so that it will serve both side of the road/ development.

iii) In Zone P-II, between sector 5th & 10th the PSP use has been proposed along bandh road and City Park which is too close to Yamuna river . It should be changed to 'Recreational' and PSP be adjusted elsewhere.
