Suggestion	<p>This market was constructed in 1956 -58 as a single storied market But as per MPD 2021 this market is very much ignored and was never considered as per today's and upto 2021's requirement of density of population in this area as well as in terms of business increased. Now for the last many decades it is a most famous and is located at prime main road (NETAJI SUBHASH MARG) as tourist area in terms of RED FORT, JAMA MAZJID , LAL JAIN TEMPLE , GAURI SHANKER TEMPLE , SIS GANJ GURUDWARA etc. but none of us and makers of MPD 2021 never cared to improve the façade of this market. As NDMC has taken the initiative with great appreciation to modify the face of the YUSUF ZAI MARKET (known as minuciple market) at the outer circle of Connaght Place and JANPTH tourist market , where as the concernd departments have also initiated to give the extra working space as mezzanine floors with the great outlook to the business owners and to convenient shopping there. .</p>
