Suggestion	I am pradeep aggarwal from east of kailash new Delhi-65. i want to share my point of view with you, that in east of kailash there is one road named as <u>Lala Lajpat Rai Path</u> which goes to Nehru palace and this road is declared for <u>mixed land commercial use</u> on this road ground floor and basement is used as commercial and apart from this there is one more road named as <u>kalka devi marg</u> that road is declared 100 % as commercial. but <u>Lala Lajpat rai path</u> is main road and <u>kalka devi marg</u> is a link road so i suggest that please pay attention toward this road and i hope that this road should be declared as 100% commercial.
