Paragraph/Clause /Subclause	<u>gram sabha land should be used as parking area for the area</u>
Date	11/12/2011
Suggestion	<p>please pay attention on this request that if a village has <u>gram sabha land</u> which is not in use so it can be used by the government for the parking lot of the vehical or should be used for the rasta or pathway for public use as the condition of vehical parking is worst in the villages and as well as the fights between the villagers is common for the parking or rasta if it can be considrate so i would be really greatfull of the panel of the officers in future it will be a great responsibility of the government to provide better road, access in the village should be comfortable and parking of the vehicles a great problem within the villagers so requesting the officers that please pay attention on my request may be some villagers can be in political mood on this matter as they do nott care about the villagers.</p>
