Type	SHELTER
Paragraph/Clause /Subclause	45 Mt. ROW ROAD FROM NEW ASHOK NAGAR TO MULLAH COLONY HARIJAN BASTI KONDLI ALONG HINDON CANAL
Date	11/18/2011
Suggestion	To construct proposed road of 'Zone-E between New Ashok Nagar and Hindan Canal' which, though belongs to UP Government, but can still be utilised for the larger public interest through proper coordination and cooperation with the UP State Government to provide the said connectivity from NH 24 to U.P. LINK ROAD, that too in best manner of a straight road running between the two connected points, without any hindrance /obstacle obstructing / detouring the road. This proposed alternate will also benefit; not only the motorists, but also envisage minimal displacement of population from the nearby locality of New Ashok Nagar thereby proving to be a true public spirited project.
