Type	ENVIRONMENT
Paragraph/Clause /Subclause	9.6 Green Belt boundary
Date	11/14/2011
Suggestion	1. Land Use plan should be consistent and conform strictly with above. Village boundary of Bijwasan which is a peripheral Village extends to edge of international airport and area reserved for Green Belt therefore needs to be corrected in Land Use Plan. 2. Lal Dora Area of Villages should be shown under residential land use to reflect ground reality.
