Dated 26/12/11

Sir,

In response to your above mentioned public Notice, we have vide our letter No. MCGM/11/11 dated 17.11.2011 tried to focus your attention on the anomalous situation that has arisen stalling the upgradation from Mix Use to Commercial category the stretch of Mix Use stretch of Pankaj Betra Marg in West Zone passing through our Main Market of Mansrover Garden, New Delhi 15, due entirely to absence of any specific provision for periodic resurvey of City Roads in MPD 202 I am to highlight the following substantive points to safeguard the legitimate rights and business interests of the traders located en route the road stretch in question mentioned above.

I. SURVEY OF CITY ROADS UNDER MPD 2001:

pursuant to Central Govt. notification issued on 15.9.2006, survey team constituted by DC, MCD, West Zone, collected field data and on satisfaction of prescribed norms, Pankaj Betra Marg was

classified as Mix Use road by the Urban Development Department of the Govt. of NCT of Delhi. This road runs through the pre-1962 Built Up Residential and Rehabilitation Colonies of Balli Nagar- Ramesh Nagar-

Mansarover Garden Colonies listed in the annexure 1 to para 15.12 of MPD 2021.

II. RESURVEY OF CITY ROADS UNDER MPD 2021:

The Master plan for Delhi 2021 was promulgated on 7.2.2007. Suspecting bungling and foulplay in notifying several city roads as Mix Use/Commercial by the UDD of Govt. of NCT of Delhi due to pressure tactics of political leadership, the power packed and judiciary backed Monitoring Committee issued orders to the MCD Zonal Heads/Chief Town Planner to re-survey the 2006 notified roads. The re-verification survey of Pankaj Batra Marg was undertaken on 30.6.2008 and the percentage of commercialisation of this road was found to be 80.64 %, which is more than the stipulated norm of more than 70 % in Para 15.12.1(b) of MPD 2021. The MCD/UDD of Govt. of NCT of Delhi took no steps to upgrade stretch of this road to "Commercial" as the resurvey was not undertaken in pursuance of any specific provision in the MPD but only under the orders of the monitoring Committee, a Quasi judicial authority which also remained reticent. The Traders' cause has been badly HIT due to persistence of this fallacy, eclipsing ground realities. Copy of ESB ltr dt 13-6-11 enclosed.

III. REMEDY - Insertion of a Specific provision for periodic Survey of City Roads after every 5 year spell by amending MPD 2021.

The first survey of City Roads under the MPD 2021 has yet to be undertaken. In the absence of any specific provision in MPD 2021, The decision about the periodic spell at the expiry of which such surveys be undertaken by survey teams to be constituted by the Zonal Heads of MCD rests with the bureaucracy. It is suggested

that as per the advice tendered by the Chief Town planner, MCD, vide his letter dated dated 23.9.11 (photo copy enclosed), a specific provision is required to be made to prescribe a spell after which city road surveys be undertaken to identify eligible roads to be notified as Mix Use, Commercial. Sub : - Appeal under RTI Act, 2005

The applicant Sh.S.L.Kapoor, chairman, Mansarovar Garden Vyapar Mandal attended the appeal today on 22.9.011 at 3.00 P.M. regarding notification of Mixed Use stretch of Pankaj Batra Marg passing through Main Market, Mansarovar Garden Colony, New Delhi as commercial. As he mentioned that at the time of re-survey conducted in 2008, this stretch of road was found as 80.64% commercial.

In this regard, it was conveyed to him that provisions of Master Plan do not permit to conduct fresh survey/declaration of road as commercial street. The re-survey of 2008 was conducted on the recommendations of Monitoring Committee for the purpose of checking/deletion of roads, not for the addition/further declaration/notification of roads. However, the applicant was advised to take up the matter with DDA and office of Hon'ble L.G. since it requires modifications in the Master Plan provisions.

The appeal thus stands disposed of. If the appellant is not satisfied with the reply, he may approach to the Central Information Commission, Club Building, opposite Ber Sarai Market, Old JNU Campus, New Delhi-67 with 90 days.
