Zone and the office of the Chief Town Planner, Delhi with regard to the field data collected by the survey team constituted in 2006 and 2008 to ascertain whether the road in question had been correctly classified and notified as MIX USE Pankaj Batra Marg in 2006 or it should have been notified as commercial.

3. I encloses herewith photocopies of the following letters which are self explanatory and support our request that the road in question fully meets the norms laid down in para 15.12.1(b) of MPD 2021 and qualifies to be upgraded and notified as commercial:

- (1) Copy of my Letter No. MGVM/4/11(1) dated 29.04.2011 to Dy. Commissioner, MCD, WZ, New Delhi.
- (2) Copy of my letter No. MGVM/4/11(2) DT. 29.4.2011 to D.C. MCD, WZ. (The above letters were sent under the R.T.I. 2005 seeking information about the field data and consequent result)
- (3) Copy of letters No. SE-I/WZ/2011/12/D 986 dt. 15.6.2011 received from the SE-I, West Zone, MCD alongwith copy of enclosure letter No. 314/EEB-1/WZ/11/I/RTI/ D.No. 221 dt. 13.06.2011 and enclosure letter No. SE-I/WZ/2011-12/D-986 dt. 15.06.2011 addressed to Senior Town Planner, Delhi
- (4) Copy of letter No. TP/G/960/11 DT. 21.06.2011
- (5) Copy of my letter No. MGVM/6/11 dt. 30.6.2011 along with Mr. Ajay Makan, MOS in M/o Home Affairs letter No.1256/VIP/ MOS (H.M)/2010 DT. 25.4.2010
- (6) Copy of letter No. TP/G/1338/11 DT. 19.8.2011 from Dy. Town Planner (G) to undersigned.
- (7) Copy of Chief Town Planner Delhi letter No. TP/G/1536/11 dt. 23.09.2011 to the undersigned.

4. A careful perusal of the above correspondence reveals that in terms of the modified provisions of the MPD-2001 vide Central Govt notification No. F13/46/2006/OD/PF/16089 dt. 15.09.2006, the Pankaj Batra Marg was surveyed in 2006 and on the basis of field data collected by the survey team, it was notified as MIX USE Road. When on the recommendations of the Monitoring Committee re-survey was conducted in 2008, the percentage of commercialisation content of the road stretch passing through the main Market, Mansarover Garden, New Delhi was found to be 80.64% which is more than the norm of more than 70% stipulated in para 15.12.1(b) of the MPD 2021. This road stretch fully satisfied all the norms set out in the MPD-2021 for declaring it commercial in the year 2008 when reverification survey was carried out. This resurvey should be deemed to have been carried out under the provision of MPD 2021 and the MIX USE stretch in question should have been upgraded as commercial in 2008 itself. We request that our this request may kindly be registered properly in your official records so that when pursuant to further official notification, city roads are surveyed again, our stretch of Main Road of Pankaj Batra Marg in West Zone is upgraded to commercial so that traders get the benefits to which we are entitled under the MPD -2021.

Kindly acknowledge receipt our request and oblige.

Yours faithfully

DATE: 4/11(1)

Day 29th April, 2011.

The Deputy Commissioner,
Municipal Corporation of Delhi,
West zone, Vishal Enclave, Rajouri Garden,
New Delhi.

Sub,

Notification of Mix Use stretch of Pankaj Batra Marg
passing through Main Market, Mansarovar Garden Colony,
New Delhi as 'COMMERCIAL'.

Sir,

The Mansarovar Garden Vyopar Mandal draws your kind attention to the Notification dated 15.9.2006 issued by the Urban Development Department declaring Pankaj Batra Marg passing through Balli Nagar-Ramesh Nagar-Sherdarpuri-Mansarovar Garden in West zone as MIX USE Road. This benefit was extended to the owners of properties abutting this road by amending the MPD 2001 after conducting detailed field survey on the basis of ground realities existing alongside the said road by a special team of officials constituted by the MCD of West zone. The relevant field data as required in terms of the norms laid down in the notification was collected by the Special Team to ascertain road's eligibility before declaring/notifying the Pankaj Batra Marg as Mix Use Marg.

2. The Mansarovar Garden Vyopar Mandal submits that ever since the notification of this road as Mix Use road, a long period of nearly five years has elapsed. Currently, the MPD 2021 is in force. In so far as the stretch of this road starting from F- 229 to F - 306- FB 100 to 120 and further upto Sarvudya School on the eastern side of the road and F- 309 to F 369 and upto MCD Primary School on western side of this road 2 or 3 plots lying vacant have now been built up. As per ground realities now existing alongside this road almost 98% properties are under commercial use.

3. The MGVM re-iterates that ^{are} there more than 90 % properties abutting this road of less than 24 m width under commercial use in stretches of far greater length than 100 ms. passing through the Main Market of Mansarovar Garden.

4. The MPD 2021 has given a special dispensation to property owners in Rehabilitation Colonies. The Mansarovar Garden Colony has been notified as Rehabilitation colony and its name is listed at S. No. 25 of Annexure 1 to Chapter 15 of the MPD 2021, as PRE-1962 built up residential and rehabilitation colony.

5. In view of the foregoing all important change in the status of this Category B classified Colony, the entire stretch of Pankaj Batra Marg passing through the Main Market of the Mansarovar Garden Rehabilitation Colony fulfils the norms as laid down in the MPD 2021 and is eligible to be notified as 'Commercial'. The relevant provisions in this regard are laid down in paragraph 15.12.1(b) of MPD 2021 which are reproduced below:

Para 15.12.1(b) of MPD 2021 - COMMERCIAL STREETS AND AREAS :

Where more than 70% of the properties abutting roads of less width than 24 m R.Os in a stretch of atleast 100 m in rehabilitation colonies regularized unauthorised colonies, resettlement colonies, Walled City Special area and urban villages and local commercial streets/areas declared under MPD 1962 as per para 15.3.1 and.

6. The Vyopar Mandal submits that the entire stretch of Pankaj Batra Marg passing through our main market fully satisfies laid down norms mentioned above in all respects. Further, under Para 15.12.2 it is enjoined upon MCD to have surveyed the stretch within 90 days but, nevertheless, this does not restrict it to take any action after the expiry of this period during the ongoing term of the MPD 2021.

7. The Vyopar Mandal respectfully prays that the subject stretch of entire road passing through the Main Market may kindly be notified as 'commercial' on the basis of the field data collected in 2006 or in the subsequent year(s) by the MCD's official Survey Teams failing which it is humbly requested that a fresh survey of the road stretch may be got conducted at the earliest and requisite notification issued converting Mix Use character to 'COMMERCIAL' of the road stretch in question.

8. Kindly acknowledge receipt of this letter.

This very norm stipulated in the MPD 2021 stood fully satisfied for notifying the Pankaj Batra Marg in its entirety" (including the portion passing through Mansarover Garden's Main Market which was earlier notified as commercial element is more than 50% as Commercial in 2008 but, for unknown reasons, it was notified only as Mix Use Road. This step has done a severe blow to the traders functioning in the area on route the down-graded road. We have been deprived of the benefit which the MPD 2021 conferred on the trading community and request you to kindly look into this aspect and rectify the error if it be so.

4. For your kind information, I enclose a copy of the letter D.O. No.1256/VIP/MCS/H M/2010, dated 22.4.2010 addressed by the then Home Minister of India and now Union Minister of Youth Affairs and Sports - Shri Ajay Maken Sahib, wherein he had recommended that the road stretch passing through Main Market of Mansrover Garden be notified as Commercial. The Mansrover Garden Vyopar Mandal did not get any reply from the Commissioner, MCD, to whom the letter was addressed.
5. I am to assure that the traders will be too pleased to pay the Special Conversion Charges as prescribed by the Government.
6. As regards the construction of multi level parking facility along the road route, there are several open spaces, plot sites, green field measuring 17 Bighas and 10 Biswas taken over by the MCD opposite G Block of Mansrover Garden and adjacent to Shardaपुरी by virtue of Delhi High Court judgement in writ petition (C) No. 6115 of 1998. The extra space available in the MCD Primary School in G Block of Mansrover Garden ideally suits for providing multi level underground parking. MCD can cash on this project by ensuring to itself recurring annual income.
6. I am to pray that our case of notifying the Pankaj Batra Marg as Commercial may kindly be processed expeditiously and the proposal be get approved from the Standing Committee of the MCD concerned Lay Out at the earliest. We may kindly be kept abreast of further developments till the formal notification of road in question by the UD Deptt. of GOVT of NCT of Delhi as Commercial is issued.

Yours Faithfully,

No. TP/6/1536/11

I.D. No 324

Sub : - Appeal under RTI Act, 2005

The applicant Sh.S.L.Kapoor, chairman, Mansarovar Garden Vyopar Mandal attended the appeal today on 22.9.011 at 3.00 P.M. regarding notification of Mixed Use stretch of Pankaj Batra Marg passing through Main Market, Manarovar Garden Colony, New Delhi as commercial. As he mentioned that at the time of re-survey conducted in 2008, this stretch of road was found as 80.64% commercial.

In this regard, it was conveyed to him that provisions of Master Plan do not permit to conduct fresh survey/declaration of road as commercial street. The re-survey of 2008 was conducted on the recommendations of Monitoring Committee for the purpose of checking/deletion of roads, not for the addition/further declaration/notification of roads. However, the applicant was advised to take up the matter with DDA and office of Hon'ble L.G. since it requires modifications in the Master Plan provisions.

The appeal thus stands disposed of. If the appellant is not satisfied with the reply, he may approach to the Central Information Commission, Club Building, opposite Ber Sarai Market, Old JNU Campus, New Delhi-67 with 90 days.
