We are resident of Punjabi Bagh falling under zone as classified under MPD-2021. We really appreciated that suggestion are being invited for amendements to be made the MPD 2021.

Sir, we have been residing in the area for the last 30 years and feel there is dire need for change in master plan in the scheme of residential group housing socities for the plots measuring 3000 sq mtrs & above.

According of the policy there should be at least 18 mtrs road infront of the property how ever we donot have such big street in our colony.

So, I request you to Kindly reduce it as much as possible, as there is a huge requirement of housing in our area.

Regards

Vinod Kumar
