We are resident of Shastri Nagar falling under zone as classified under MPD-2021. We really appreciated that suggestion are being invited for amendements to be made the MPD 2021.

Sir, we have been residing in the area for the last 40 years and feel there is dire need for a higher educational institution in the area. The cut throat competition and obscenely high cut – offs at the Universities has made it difficult for our children to get admission in good institution. As it is Delhi as a city does not have enough college to cater to the over increasing population.

We would request you to kindly take a close look into this problem as it concern with the future of over children and dedicate areas earmark sites for opening up of such higher educational institutes which will help shape the future of our nation.

Regards

Kishore
