Dear Sir

Subject: Suggestions for Review of Master Plan for Delhi -2021

Dy. Dir. (Plg.) MPR-2021  
DDA Vikas Minar N. Delhi  
Dy. No. 1508  
Dated 27-3-12

In Reference to your (Delhi Development Authority) Public Notice regarding the review of Modification in Master Plan, following suggestions need to be incorporated in regards to the **Special Area** in MPD 2021 to make the Master Plan more viable & widely acceptable.

**Refer to Para 5.3 Metropolitan City Centres :**

The para refers to Karol Bagh as the existing Central Business District and has all the necessary ingredients to emerge as Metropolitan City Centre. Its boundary is not defined in the Master Plan so it should have the Area bounded by Faiz Road in the East, to the Drain ( Guru Nanak Market Road in the West, and DB Gupta Road in the North to the Pusa Road in the South and all the plots falling inside the boundary should be given Commercial status.

**Important :**

- In the above Area more than 90% of the buildings are being used as Commercial
- The zonal map shows that the **western side of Saraswati marg namely 12A block, 4 block , 12 block** is not included in the commercial part but with the enclosed data it is seen that more than 90 % of it is commercial .

It is our humble request to incorporate these area as totally commercial in the redevelopment plan.

Yours truly

Swaroop Singh Gambhir
