FUTURE OF DELHI 2021

Dear Sir,

With reference to the notice appearing in the Times of India dated 18 Feb 2012, we wish to forward the following suggestions.

The basic character and ambience of the Golf Links Colony must be preserved at all costs.

1. The existing front set back to remain unchanged.
2. Only Ground plus two floors to be allowed to a maximum height of 12 metres.
3. FAR should not exceed 150.
4. No Basement to be allowed.
5. Maximum number of dwelling units, -one per floor.
6. We are attaching the above mentioned Notice, and the Minutes of the 1296<sup>th</sup> Meeting of the Delhi Urban Arts Commission held on Wednesday 23 Dec 2011, where due consideration was given to permitting a total of 3 floors subject to a maximum height of 12 metres.

The above suggestions are in keeping with the existing constraints of Drinking Water, Sewage, Drainage, Power and Parking Space while preserving the beauty of the colony and its green area.

Yours Sincerely,  
*Vishnu Lall*

1 Representations of Observations

Golf Link Association, Commission in view of letter no. K-13011/31/90-DDIB(Vol.XI) dated September 7, 2011 and letter no. K-13011/31/90-DDIB(Vol.XI) dated September 9, 2011 on the subject from Ministry of Urban Development.

The Commission is of the opinion that development upto a maximum of 2nd floor (3 floors in all) upto 12 meters height with other applicable norms may be permitted in these areas. This would retain the architectural character of this area.

It was decided to initiate action without awaiting confirmation of the minutes of the meeting.
