Reg- Suggestion & Objection for Master Plan-2021

Sub- Suggestion for development of Lal Dora Land as per master Plan-2021

Dear Sir,

I am the resident of village Budhpur, Delhi, this is in reference to Extended Lal Dora land of Village Budhpur, Delhi situated in main G.T. Karnal Road, in Zonal Plan P-1, Narela Zone, wherein as per zonal plan prepared by DDA Lal Dora land of village Budhpur has been taken up for other activities apart from residential whereas as per Master Plan -2021, it clearly states that Lal Dora property cannot be used for any other purpose.

The Zonal Plan that has been prepared by DDA has completely ignored the existing population of the villagers and proposed to make other things apart from residential within the residential population of the village which is completely wrong on behalf of the villagers.

For the same revision and objection of Zonal Plan is being carried out so you are hereby requested to look into the matter and make layout plan after seeing already existing built-up residential area and prepare the zonal plan again so that the villager do not face difficulties.

Thanking You

Yours Faithfully
