Sir

Please refer to your letter quoted above, endorsed to VC, DDA. The request has been examined and following is informed:-

DDA does not issue NOC to MCD for grant of license.

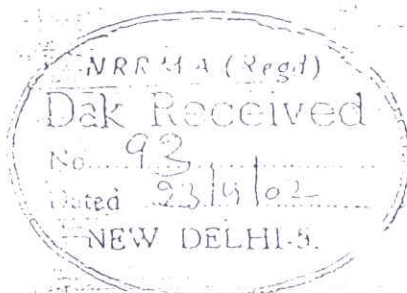

The Anand Parbat Industrial Area already declared as light and service manufacturing area in MPD-2001 and there is no need for fresh notification of declaring the area as industrial area. However, if any area left out of the boundaries of the industrial area decided by the Technical Committee, the same is under consideration while formulating the proposal for Master Plan-2021.

This is for your information and necessary action please.

Thanking you.

Anand Parbat,
New Delhi-110005.

Sir,

It is to inform you that as per your Application No.26189 submitted in the year 1996. You have indicated the functioning of unit at 51/1A, Gali No.13, Nai Basti, Anand Parbat, New Delhi-110005 and have submitted an affidavit dated 03.09.2011 that the said address does not fall within the boundary of Anand Parbat INSITU Industrial Area earmarked for redevelopment as regular industrial area under the Master Plan of Delhi.

On confirmation of site through our field engineers, it is found that the said address exits within the boundary of Anand Parbat INSITU Industrial Area which does not entitle your unit for allotment of plot under the Relocation Scheme as per Govt. policy and therefore, it tentamounts to withdrawn of exiting allotment of Plot No.27, Sector-J, measuring 100 sq. mtrs. at Bawana-II (Bhorgarh) under the Relocation Scheme.

However, an opportunity is being given to you to show cause within 15 days from the date of issue of this letter as to why the said allotment may not be withdrawn.
