Sub:- Conversion of Mixed Land Use stretch of Lajpat Nagar III, 110024 into Commercial stretch.

Respected Sir,

We are the occupants of Ring Road Lajpat Nagar-III and request you to kindly convert this stretch into commercial stretch. The MPD 2001 confirms the required percentage of 70%. We are also enclosing the MPR list. This reflects there are 20 non-residential use buildings on this stretch and we are enclosing the required evidence of non-residential use buildings which would increase our total usage of non-residential use to 26 nos.

As per the requirement of the MPD 2001, the demographic status of this stretch also allows us to get the commercial stretch status. In addition, above only 5 buildings are being used as residential purpose and the process of commercial usage.

Considering the factual status kindly do the needful and oblige.

Thanking You

Yours faithfully
