Dy.No. 2016
Dated. 11-04-12

Subject :- Removal of hindrance area in respect of unauthorised colony Rajapuri, Uttam Nagar, New Delhi exist at Regd. No. 252/1639, Palam A/c.

Respected Sir,

This is in reference to your valuable advertisement in the various Newspapers asking RWA's to comment and forward valuable suggestions of their respective colonies in connection with change/amendment of Master Plan 2020.

We bring to your kind attention and for immediate action that our above stated colony is provisionally regularized as one of the unauthorized colonies having Regd. No. 252/1639 as stated above from the Department of Urban Development, Govt. of Delhi, NCT and is 100 % highly populated but unfortunately some hindrance area proposed in zonal plan road has been shown somewhere in the colony. Since the colony is 100 % thickly populated and practically there is no scope at any point for any type of hindrance and it is also to state that this colony is completely free from any type of Govt. acquirement/ notification of acquirement till date and further has been one of the oldest existing colonies therefore you are requested to kindly remove any type of hindrance from the colony at your end. If you feel, you may also visit to the colony for taking up the latest position of the same. We shall be happy to receive you if we are intimated well in time to show you the geography of highly and thickly populated colony.

Thanking you sir in anticipation and assuring you our best co-operation at all times and with best wishes.

With kind regards,

Yours faithfully
For Resident welfare Samiti

President

Secretary
