in the list of 1639 Colonies of Delhi is mentioned at the Serial. No. 256 and registration No. 273.

2. That it is also pertinent to mention here that name in the list of Provisional Regularization Certificate Distributed to the applicants of the unauthorized colony is mentioned at the Serial No. 207 vide registration No. 273.
3. That it is significant to mention here that the Master Plan 2021 and category colonies prepared by the DELHI DEVELOPMENT AUTHORITY name of our colony and Meethapur Ward has been mentioned in the 'O'- Zone Area which is absolutely wrong, whereas the radius of 'O- Zone' Area is only up to 300 Meters from the banks of the Yamuna River as per the orders and directions of the Hon'ble High Court of Delhi and our Colony/colonies are very far from the River Yamuna as same is about 6 to 8 Kilometere distance from the Yamuna River, so there is no possibility to consider our colony in the 'O-Zone' category, whereas there are several Multi Storied Govt. Institutions/Buildings and resettlement colonies allotted by the Government are situated in the near Yamuna River or in the Bank of the Yamuna River.
4. That our colony is not situated either in front of River Yamuna nor at the Bank of the River Yamuna.
5. That it is also important to mention here that after the Yamuna River there are many villages of Delhi and Faridabad Hariyana are situated and located first, for example , Village Madanpur Khadar, Village- Jasola, and many others of Delhi and Village- Basantpur, Ishmailpur, Agwanpur and Sehatpur etc. and thereafter our colony is located and there is no question to consider our colony in the 'O-Zone' category.
