Sub:- Regarding for open seeling shop in Kottla market

Respected sir

I am Deepak Sharma working in Kottla market so long time I am totally depend on this market. But due to M.C.D seeling problem I lost my employment as well so many people are also suffering from this problem this is totally unnecessary seeling. Because only some shop are shield in this market and all remaining shop are running in this market so I request you sir please try to understand ^{my} ~~the~~ problem because this is totally a wrong decision taken by M.C.D. Because due to this decision so many people have been lost their employment. that's by I request you sir please give me best positive result as soon as possible
your thankfully.

Thanks & Regards.
