**Recognize Old Usage of Heritage Properties while preparing Master Plan of Delhi 2021 & incorporate them in Master Plan**

Dear Sirs

Please refer to your advertisement in The Times of India dated 02-05-2012 inviting suggestion on Master Plan of Delhi.

I suggest you to while preparing Master Plan of Delhi, please take recognition and special consideration of old usage of heritage properties and incorporate them in the plans. Some of the properties may be old heritage properties existing prior to 1962 and have been continuously used for years for a particular use. These properties should be identified properly & duly incorporated in the Master Plan of Delhi to reflect its actual usage.

I will be grateful, if you consider my suggestion.

Regards

Vipin Chawla
