Flexible Approach

Dear Sirs

Referring to your advertisement in The Times of India dated 02-05-2012 inviting suggestion on Master Plan of Delhi.

I suggest you, the approach should be flexible while framing Master Plan of Delhi 2021. The exercise of making Master Plan is being carried out after over 50 years of earlier Master Plan. Now it should be more flexible and well organised to take care of next 50 years of Planning.

I will be appreciated, if you consider my suggestion.

Regards
