 Dy.No. 3345  
 Dated: 23/5/12

Dear Sir / Madam,

I am a resident of Mahavir Enclave, Part - I, Gali no. - 5.

The notice published by you in the Times of India dated - 17.05.2012 towards review of Master Plan Delhi - 2021, it has been mentioned that some major colonies will be covered under new master plan.

The Colonies are - Paschim Vihar, Kirti Nagar, Punjabi Bagh, Vikash Puri, Janak Puri, Nangloi, Mundka, Hastal, Uttam Nagar, Dwarka Project (all sectors), Chawla, Najafgarh, Dhansa, Tikri Kalan.

Name of Mahavir Enclave Part - I, which is nearby to Secor - 1, Dwarka, has not appeared in the above list.

Kindly confirm whether Mahavir Enclave Part - I will be covered under new Master Plan of DDA.

If it covers under new Master Plan, I would like to suggest that this area should get supply water and proper drainage system immediately. Because supply water system in this area are not in order. Most of the people get water through tanker only.

Thanking you.

Yours truly,

Arindam Ray
