Subject: DELHI 2021

Sir
With reference to your advertisement in time of India regarding master plan 2021 in this connection I would like to get advise from your expert, I am holding lease hold property of LIG DDA FLAT at Dwarka Delhi , and I have approached DDA to get it free hold, but they refuse to accept the application because after 2005 there is no provision to accepting the application from power of attorney holder, also I requested them to issue no due certificate, but DDA issued letter stating that I am not entitle to get any information from DDA , If I am holding registered power of attorney with stamp duty [PURCHASED ON 2009] I am not entitle to ask information from DDA? According with DDA they are awaiting new housing policy after approval of new housing policy I can approach the DDA , please let me know this is the new policy or any other If it is new master plan kindly amend the working procedure of the DDA as public friendly

Please reply
Regards
