Subject : Suggestions for Mid Term Review of master Plan of Delhi-2021.

Dear Sir,

1. Under Heading "Transpotation, para 2.5.8 last para As per Authority resolution 65/2006...."

An under pass is purposed at kapashera junction at NH-8 for Dwarka Link road connection to Vasant Kunj. But it is being delayed for one or other reasons.

Efforts should be made for its immediate implementation , in the interest of public of Dwarka.

2. Dwarka Link Road is 75 meters ROW , should be maintained as per MPD2021.

Thanking you and hoping for an early action please.
