D.D.A. Vikas Minar N. DELHI-2

The Director Planning MPR Delni Development Authority 6th Floor, Vikas Minar, I P Estate

New Dellhi-110002

Sub:- Suggestions for Master Plan Review / Amendments as per the Public Notice dated 04.10.11. Director (Plg.) MPR/TC,

Respected Sir (Madam).

Suggestion Type.-

Change of landuse of the plot owned by Birla Textiles (Prop.Texmaco Ltd now known as Texmaco Infrastructure and Holdings Limited) located in Zone C-9 on GT Karrial Road Near Clock Tower Old Subzi Mandi. Delhi-110 007 subsequent to the plan approved by DDA's Screening Committee in its meeting neld on 27" Feb 2012

Suggestion Details:-

In the Master Plan of Delhi-2021 as well as in the Zonal Plan of Zone -C as per MPD-2021 the land use for above plot measuring 98600 sq.mtrs has been shown as "Industrial Use" i.e M1 - manufacturing (copy annexed).

On this plot, a manufacturing unit under the name and style of Birla Textlles (Prop Texmaco Ltd) manufacturing Cotton & Synthetic Yarn and other Textile products including processing of Fabrics involving bleaching, dying and printing was functioning till 30th Nov 1996 on 86400 sq.mtrs area. The balance area measuring 12202 sq.mtrs. was used for residential colony for housing the workers. The Industrial unit and the Housing Colony had duly approved Layout Plans by MCD with Municipal No 7395 for the Industrial Unit and Municipal Nos 7396 to 7643 for the housing colony. The unit was declared Heavy & Large Industrial Unit category 'H' and was closed down on 30th Nov 1996 vide Orders dated 10.05 1996 of the Hon'ble Supreme Court of India. The unit was subsequently shifted to Baddi and a ultra modern Textile Mills has been set up at the new site

: 2

As per the orders of the Hon'ble Supreme Court a major portion of this land was required to be surrendered to DDA for creation of Green belt/Open space and other community use.

The land surrender plan was prepared by Planning Deptt of DDA which was discussed and approved in the Screening Committee Meeting held on 27^{th} Feb 2012. The Planning Deptt has filed the Area Map for the surrender of the land in the court of Distt. Judge, Delhi on April 11,2012. As per the plan, an area of 58951.08 sq.mtrs is required to be surrendered to DDA to be dedicated to Community primarily for green belt and the balance area of 39650.58 is to be retained by the company for development as per the Master Plan. The company has already requested to DDA to take possession of the land in terms of the orders dated 11.04.2012 of the Hon, bie Distt Judge.

In view of the above, it is quite evident that about 60% of the plot area will be for recreational use and has to be accordingly re-designated in the Master Plan (Zona) Plan 2021

Thus with the above plan prepared by DDA. land use of the plot measuring 58951 sq.mtrs will automatically change to be re-creational and only 39650 sq.mtrs will remain industrial. We submit that having an Industrial Unit (Manufacturing.) on 39650 sq.mtrs (less than 4 Ha of area) surrounded by Residential Colonies is not desireable and defeats the very purpose of closure of the industrial unit and as such warrants a review for change to Residential Use

The change of land use of the area retained by the Company measuring 39650 sq.mtrs needs to be reviewed for Residential Use owing to the following reasons -

- In the Residential Area, Industrial activity is not desireable particularly when the land has become available due to the closure of the Industry under orders of the Hon'ble Supreme Court.
- 2) Movement of Heavy Vehicles for transportation of the raw materials finished goods and workers will create more traffic congestion in an already crowded area. With traffic restrictions in vogue during the major part of the day the activity will have to be undertaken during night hours which is bound to cause disturbance to the residents.

: 3 :

- 3). Operating industrial units will substantially increase the demand of power and other infrastructure facilities causing undue pressures for the residents of the area.
- The Industrial Land retained by M/s Ajudhia Textile Mills (A NTC Unit) has been changed to Residential Land, which is just about 2/3 kms, on the same road

In view of the above, we strongly urge a re-view of Land Use of the plot to Residential for the sake of maintaining a homogeneity of the area

Thanking you.

Yours faithfully. For Birla Textiles.

(Prop Texmaco Infrastructure & Holdings Ltd.)
