3. Instead of increasing the FAR of 166 the FAR has been reduced to 125.

4. Where as the DDA is auctioning the LSC plots with FAR-400.

Example/Evidence

The DDA has auctioned the LSC in Dwarka and Narela, Sector B-4, Pocket-4 as on 30.03.2009 with permissible FAR 400 (with full commercial use).

5. There is acute shortage of Commercial space in West Delhi. The DDA has able to provide only 19% of commercial area out of total expected area to be created.

Suggestions

In the circumstances/facts explained above the Patel Market should be declared as under:-

(a) Commercial Market.

(b) Permissible FAR should be 400 (what DDA allows for other similar properties) instead of 125

Thanking You
