Review of M.P.D-2021

Dy. No. 21/5/12 Date: 21/5/12

To, The Vice Chairman Hearing Board, DDA Vikas Sadan, INA, New Delhi

Sub: representation/objection reg-facility corridor as proposed in new Master Plan.

Sir,

With respect I beg to say that I am residing (as owner) at Ever Green Farm and M.G. Road, Sultampur New Delhi since 1972 whereby the property was acquired by my late father in 1965.

Premises have been in use exclusively as a residence with approved plans and agricultural cultivation is being on going till date. We

have not been provided with any civic amenities like sewerage, drinking water etc ever since.

Though the idea of the corridor is being perceived in beneficial light it is my humble request that such a facilitation. by DDA may

be though by bearing the ground realities in mind without intervening with the livelihood/lives of many residents of the areas proposed

as a part of this concept and this proposal corridor concept could be accommodated without disruption of public life and property of

honourable citizens by readjusting/relocating the proposal and use of Govt. owned lands.

Kindly acknowledge the same and receipt. dated 21/5/12
